This is an easy crochet pattern to make a small shamrock applique that only takes one round to complete.

Start with a magic ring

ROUND 1

* ch 2, then 3 tr into the center of the magic ring, ch 2, then sl st into center of magic ring *, repeat from * to * 2 more times.

You will now have 3 leaves for the shamrock, now to work the stem without fastening off, since all of the leaves and the stem are all worked in the same round.

chain 4, then skip the first ch closest to the hook and then do a hdc into the next ch, then sc into the next ch, then sl st into the next ch, then sl st into the center of the magic ring, then fasten off, pull the tail of the magic ring to close up the center of the magic ring and then weave in ends or leave ends to use to sew onto your crochet project.
