1 dc in to first st, then 1 dc into the next 5 sts, chain 1, then 1 sc into the next 2 sts, chain 1. then 1 dc into the next 5 sts, then 1 dc into the top of the ch 3.

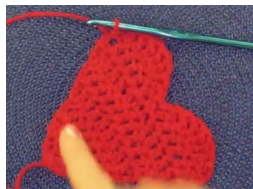

Chain 2, turn.

ROW 8 (need help with row 8, click here to view the tutorial

<https://youtu.be/6PmQ25TOMwQ> and skip ahead to the time stamp at 9:59)

skip first st, then 1 hdc into the next st, then 1 dc into the next st, then 2 tr into the next st (*this stitch had 2 stitches into the same stitch*), then 1 tr and 1 dc into the next stitch (*this stitch had 2 stitches into the same stitch*), then 1 hdc into the next st, then sl st into the next 2 sts (not into the chain 1 in previous round – skip the ch 1 and do the sl st into the next st, which was the sc in the previous round, then the second sl st goes into the next sc from the previous round just before the next ch 1 of previous round) then 1 hdc into the next st (not into the chain 1 in previous round – skip the ch 1 and do the hdc st into the next st, which was the dc after the ch 1 in the previous round), then 1 dc and 1 tr into the next st, (*this stitch has 2 stitches into the same stitch*), then 2 tr into the next st (*this stitch had 2 stitches into the same stitch*), then 1 dc into the next st, then 1 hdc into the next st, then ch 2, join with a sl st to the top of the ch 2 (*which was the turning chain*).

Then without fastening off, do a round of sc working in the ends of the rows along the side. (you may want to use a larger crochet hook for this round to keep the tension from being too tight for the sc in this round) (need help with this round, click here to view the tutorial <https://youtu.be/6PmQ25TOMwQ> and skip ahead to the time stamp at 13:35)

Then at the bottom point of the heart, 1 sc, ch 1, 1 sc all in the same stitch at the point. Then continue working the sc along the other side of the heart.

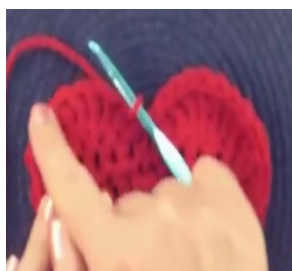

Then work 1 sc into each stitch at the top of the heart.

Then in the middle of the top of the heart, work a slip stitch in the 3 sts where it dips down at the top of the heart. I placed a sl st in the top of each of the sc from the previous round and in the top the hdc where it dips down at the top of the heart.

Then continue to work sc, then slip st into the first sc when you began the round.

Then fasten off and weave in tails or leave the tails on to sew the applique onto your crochet project.
